Reintegration process discussed in Bucharest

On 20 November 2026, during a working visit to Bucharest, Deputy Prime Minister for Reintegration Valeriu Chiveri and Deputy Prime Minister, Minister of Foreign Affairs of the Republic of Moldova Mihai Popșoi met with the Prime Minister of Romania, Luca-Alexandru Niculescu.

The meeting reaffirmed the importance of bilateral political dialogue and the continuous assistance provided by Romania to the Republic of Moldova, including in advancing the country’s reintegration objectives.

The officials also discussed the prospects of the Republic of Moldova’s reintegration process, developments in the region, and the need to continue efforts aimed at finding a peaceful and sustainable political settlement to the Transnistrian conflict, while respecting the sovereignty and territorial integrity of the country within its internationally recognized borders.

Deputy Prime Minister for Reintegration Valeriu Chiveri emphasized the importance of Romania’s support for the actions taken by the authorities in Chișinău to promote a gradual and sustainable approach to the reintegration process, aimed at bringing the two banks of the Nistru River closer together, strengthening ties between communities, and restoring a single national space.

The dialogue also covered Moldovan-Romanian cooperation aimed at strengthening the European path of the Republic of Moldova. In this context, the value of Romania’s expertise and experience in the European Union accession process was highlighted, as well as the importance of continued support for implementing reforms and advancing European integration objectives.

At the conclusion of the meeting, Deputy Prime Minister for Reintegration Valeriu Chiveri expressed gratitude to Romania for the assistance provided in advancing the strategic goals of the Republic of Moldova, including in the country’s reintegration process, and for its solidarity with the efforts of the Chișinău authorities.
