Meeting with the Ambassador of the Slovak Republic to the Republic of Moldova, Dušan Dacho

13.09.2021, Chisinau – The Deputy Prime Minister for Reintegration, Vlad Kulminski and the Head of the Bureau for Reintegration Policies met with the Ambassador of the Slovak Republic to the Republic of Moldova, Dušan Dacho, to take stock of the latest developments in the Transnistrian settlement negotiation process and discuss about the main visions and actions of the Moldovan Government aimed at promoting uniform and efficient country reintegration policies and advancing in the settlement process.

During the meeting, it was highlighted that the parliamentary consultation platform on the Transnistrian issue will soon resume its work and that continuous support will be provided towards addressing efficiently the challenges faced by the residents on both banks of the Nistru River.

The officials also noted that, as part of the Transnistrian settlement efforts, special attention should continue to be paid to the sustainable development projects and those designed to address the disparities between the two banks.
