Meeting of the Deputy Prime Minister for Reintegration with the UN Resident Coordinator in Moldova and the Country Representative of the World Health Organization

The Deputy Prime Minister for Reintegration, Olga Cebotari, had a courtesy meeting with the UN Resident Coordinator in Moldova, Simon Springett, and with the Country Representative of the World Health Organization, Igor Pokanevych.

The international officials cordially congratulated the Deputy Prime Minister on the appointment and expressed full openness to maintain and deepen the cooperation on various topics of mutual interest.

The discussions related to recent activities carried out in the Republic of Moldova with the WHO’s support, the situation related to the COVID-19 spreading throughout the country, response measures taken jointly with national authorities, technical and humanitarian assistance projects implemented on both banks of Nistru, the role and involvement of the UN and WHO in promoting confidence building measures.

Active involvement of all relevant institutions and relevant experts in implementation of the WHO recommendations regarding the effective management of the COVID-19 pandemic in the Transnistrian region, following the technical visit to Tiraspol on May 6 this year, was also pointed out.
