

Discussions with the Director of the Swiss Cooperation Office in the Republic of Moldova on assistance projects implemented on both banks of the Nistru Riverdova about the assistance projects implemented on both banks of the Dniester

On March 19, 2025, the Head of the Bureau for Reintegration Policies, Alin Gvidiani, held a working meeting with the Director of the Swiss Cooperation Office in the Republic of Moldova, Guido Beltrani.

The programs and assistance projects completed and implemented on both banks of the Nistru River, financed by Switzerland, aimed at various areas of activity were reviewed: strengthening energy sustainability, modernization of health services, humanitarian aid to refugees and vulnerable groups, sustainable economic development, etc.

The Head of the Bureau expressed gratitude for the multilateral assistance provided to the Republic of Moldova by Swiss partners and mentioned the need for permanent coordination of activities and projects aimed at the eastern districts of the country in order to bring added value in promoting Government policies for reintegration of the country.
