

Moldovan PM to pay working visit to central Nisporeni district

Prime Minister Dorin Recean will pay a working visit to the central Nisporeni district today. The PM has scheduled a meeting with representatives of local public authorities and decentralized services, in order to discuss achievements, ongoing projects and necessary actions to improve the living conditions of people in the district.

The visit's agenda also includes a meeting with residents of the Bratuleni village. At the same time, in this locality, the prime minister will visit the pumping station and inspect repair works on a six-kilometer road segment between the villages of Bratuleni, Bolduresti and Valea Trestieni.

Also, PM Dorin Recean will visit several businesses in the villages of Milesti, Varzaresti, and Bratuleni. The prime minister will discuss with the owners government's programmes to support businesses and the challenges faced by entrepreneurs.
