

# Twelve voting stations will be opened for the Transnistrian region at the parliamentary elections on September 28

Citizens eligible to vote from the localities situated on the left bank of the Nistru, from the municipality of Bender, as well as from Chițcani commune and the villages of Cremenciug and Gîsca (Căușeni district), which are temporarily outside the constitutional control, will participate in the parliamentary elections of September 28, 2025.

They will exercise their right to vote in one of the 12 polling stations that will operate on election day, in accordance with the [Decision of the Central Electoral Commission no. 3852 of August 24, 2025](#).

Access for voters from the Transnistrian region to the polling stations will be organized in such a way as to ensure the proper conduct of the electoral process. One polling station will be opened in the following localities: Chișinău, Gura Bâcului, Hagimus, Copanca, Cocieri, Doroțcaia, Sănătăuca, and Răscăieți. At the same time, two polling stations will be opened in Varnița and in Rezina.

We urge citizens to participate responsibly in the elections, to exercise their right to vote in accordance with the requirements of the legislation of the Republic of Moldova, and to respect the legal norms that ensure the smooth conduct of the elections.
