

The meeting between the Head of the Bureau for Reintegration Policies and the State Secretary of the Ministry of Foreign Affairs of Norway

On November 11, 2025, the Head of the Bureau for Reintegration Policies, Alin Gvidiani, held a meeting with the State Secretary of the Ministry of Foreign Affairs of Norway, Eivind Vad Petersson.

During the discussions, the particularities of the Transnistrian issue and the main approaches of the public authorities of the Republic of Moldova in promoting the strategic objective of the country's reintegration and in the efforts to restore effective control over the eastern districts of the country were highlighted.

It was noted that the policies implemented and the quality public services provided by national institutions are highly valued by the residents and entrepreneurs of the Transnistrian region, who make full use of these opportunities and thereby contribute to the socio-economic reintegration of both banks of the Nistru River.
