

Deputy Prime Minister for Reintegration, Olga Cebotari, held a working meeting with the representatives of national healthcare institutions

22.03.2021, Chisinau – The Deputy Prime Minister for Reintegration, Olga Cebotari, convened a working meeting with the representatives of the Ministry of Health, Labor and Social Protection and the National Agency for Public Health.

The discussions focused on the epidemiological situation in the Republic of Moldova, the vaccination campaign against Covid-19, as well as the implementation of measures to effectively fight the Covid-19 infection on both banks of Nistru.

Given the actions set out in the National Immunization Plan against Covid-19, the availability of further multidimensional support to professionals and residents from the Transnistrian region was reiterated, including through transfer of expertise, organization of joint seminars with the WHO, transfers of patients in serious condition to the hospitals on the right bank of Nistru, and granting vaccines to the beneficiaries in the region from the humanitarian aid offered to the Republic of Moldova.
