Meeting of the Deputy Prime Minister for reintegration with the Minister of Foreign Affairs of the Kingdom of Denmark

The Deputy Prime Minister Oleg Serebrian met with the Minister of Foreign Affairs of the Kingdom of Denmark, Jeppe Kofod, who conducts a working visit in the Republic of Moldova.

During the discussions, the officials have addressed aspects of regional security in the context of the armed conflict in Ukraine and the actions undertaken by the Chisinau authorities jointly with the relevant partners in order to manage efficiently the refugee flows from the neighboring country and provide them with much needed assistance.

The Deputy Prime Minister has also informed the Danish diplomat about the latest developments in the Transnistrian issue, the current dynamic within the existing negotiation formats, the approaches and priorities of Chisinau on maintaining a constructive dialogue, solving the most pressing problems of the residents from both banks of the Nistru River and advancing in the settlement process.

The officials emphasized the upward momentum in consolidating Moldovan-Danish cooperation in various areas of common interest. The interest of the Republic of Moldova in receiving relevant assistance from the Kingdom of Denmark was also stated.
