

Meeting of the Deputy Prime Minister with the State Secretary of the MFA of Romania

Deputy Prime Minister for Reintegration Oleg Serebrian and State Secretary of the Ministry of Foreign Affairs of Romania Iulian Fota exchanged views on the settlement of the Transnistrian issue, including the dynamics of the technical level dialogue held between Chisinau and Tiraspol.

Also, the discussion included aspects related to the latest regional security developments, energy, and economic security issues in the context of the escalation of the war in Ukraine.

Romania's firm and active support for achieving the European integration objectives by the Republic of Moldova was highlighted, as well as Romania's principled position on supporting a comprehensive, peaceful, and sustainable settlement, respecting the sovereignty and territorial integrity of the Republic of Moldova, within its internationally recognized borders.
