

The first working visit of the deputy Prime Minister Oleg Serebrian in 2023: Doroțcaia village, Dubăsari district

Today, January 12, 2023, the Deputy Prime Minister for reintegration Oleg Serebrian together with the deputy in the Parliament of the Republic of Moldova Roman Roșca and the representatives of the Bureau of reintegration policies undertook a working visit to the village of Doroțcaia in the Dubăsari district.

During the discussions held with the representatives of the local public administration, the residents and economic agents of the village, as well as with the officials of the territorial Office of the State Chancellery, several topics of interest for the village of Doroțcaia were addressed, especially regarding its development and modernization.

The priority topics of discussion were the issue of agricultural lands located along the Camenca-Tiraspol route, ensuring free movement through the unconditional removal of barriers created artificially by Tiraspol and other support measures offered by the Government.

Among the problems examined were: the need to modernize the educational-cultural infrastructure and develop the tourism potential of the community, the development of local infrastructure, the support of business initiatives in the countryside, etc.

The officials from Chisinau visited the Kindergarten "Scufița Roșie" and the Doroțcaia Theoretical Lyceum, which benefited from development projects worth 1.3 million lei and financed from the state budget, through the program of activities for the reintegration of the country for the year 2022.

It should be noted that during the period 2011-2022, the village of Dorotcaia benefited from 18 development projects, financed through the program of reintegration activities of the country, the value of which exceeds 4 million lei.

The subjects and situations found on the spot remain in the attention of the Bureau and the competent public authorities of the Republic of Moldova in order to intervene with all possible forms of support.
