

352 thousand inhabitants of the Transnistrian region hold the citizenship of the Republic of Moldova and 362 thousand are recorded in the State Registry of the Population

According to the data obtained from the Public Services Agency, on December 31, 2022, 360938 residents of the left bank of the Nistru River and the municipality of Bender were recorded in the State Population Register, of which 351892 held the citizenship of the Republic of Moldova, 328625 held passports of citizens of the Republic of Moldova and 293305 held identity cards.

During the period August 2021-December 2022, 6395 residents of the Transnistrian region were given facilitations in issuing the identity card of the citizen of the Republic of Moldova, and 501 - when issuing the provisional identity card.

During the period August 2021 – December 2022, facilitations were provided to 6395 residents of the Transnistrian region while issuing the identity card of the citizen of the Republic of Moldova to them, and to 501 residents – while issuing the provisional identity card.

It should be noted that under the conditions of the simplified procedure for acquiring the citizenship of the Republic of Moldova (based on written consent and on the basis of civil status documents certifying birth on the territory of the country), in the period 19.04.2018-31.12.2022, 32349 people were recognized as citizens of the Republic of Moldova, of which 22291 (about 69%) are residents of the left bank of the Nistru River and the municipality of Bender who previously obtained identity documents certifying the citizenship of the Republic of Moldova.

During 2022, 10711 people from the region requested the certification of civil status facts, a number of 11653 civil status documents being certified for them, as well as 6625 duplicates being issued as a result of repeated applications.
