New working meeting of the Special Parliamentary Commission for Monitoring and Parliamentary Control over the Implementation of the Reintegration Policy of the Republic of Moldova

On 1 October 2026, a meeting of the Special Parliamentary Commission for Monitoring and Parliamentary Control over the Implementation of the Reintegration Policy of the Republic of Moldova took place, with the participation of Deputy Prime Minister for Reintegration Valeriu Chiveri, representatives of the Bureau for Reintegration Policies, and specialized energy sector agencies.

During the meeting, Deputy Prime Minister Valeriu Chiveri briefed on the current situation in the eastern districts of the country, the dynamics of interaction between Chișinău and Tiraspol at the level of political representatives and sectoral working groups, and pressing issues concerning human rights and ensuring the proper functioning of schools with Romanian language instruction in the Transnistrian region. Additionally, information was presented regarding the implementation of the provisions of Law No. 67/2026 on the establishment of the Convergence Fund and the amendment of certain regulatory acts (value-added tax and excise duties).

Discussions also focused on measures taken to implement the Action Plan for Preparing for the 2026–2027 Heating Season, approved by Government Decision No. 509/2026, with an emphasis on ensuring natural gas supplies during the cold period for residents of communities located within the perimeter of the Security Zone and the Transnistrian region.
