

Humanitarian projects implemented by the UN World Food Programme discussed with the Country Director of the Republic of Moldova

Today, December 5, 2024, Deputy Prime Minister for Reintegration Oleg Serebrian had a working meeting with Mrs. Katrien Ghos, Country Director of the UN World Food Programme (WFP) in the Republic of Moldova.

Programs and lines of assistance available from the World Food Programme, both started and in the planning process and aimed at providing various categories of humanitarian aid throughout the Republic of Moldova, were put to discussion.

It was agreed to maintain constant coordination with the Bureau for Reintegration Policies on activities carried out within the perimeter of the Transnistrian region and the Security Zone.
