

Working visit of Deputy Prime Minister for Reintegration Oleg Serebrian to Rezina district

On August 29, 2024, Deputy Prime Minister for Reintegration Oleg Serebrian, together with the deputy Vitalie Jacot, representatives of the Territorial Bureau Rezina of the State Chancellery and the Bureau for Reintegration Policies, visited Saharna-Nouă commune. During discussions with the residents of the commune, the need to improve local infrastructure, modernize and develop cultural facilities, and create conditions for attracting tourists was emphasized.

In this context, Oleg Serebrian stressed that the authorities are focused on advancing the European integration process and are analyzing the possibility of allocating additional resources to launch new regional development projects.

During the visit, the Deputy Prime Minister visited the „Ghiocel” kindergarten, the „Saveliu Cojocaru” gymnasium in Saharna-Nouă commune and the House of Culture in Biciuşca commune.
