

Working visit of the Deputy Prime Minister for Reintegration to Șoldănești

On July 23, 2024, Deputy Prime Minister for Reintegration Oleg Serebrian made a working visit to the Șoldănești district, during which he held discussions with representatives of the Șoldănești District Council, local public authorities and deconcentrated services. Current problems in the district and potential local development projects were addressed.

At the same time, during the field visits with the representatives of the local public authorities, the problems faced by the inhabitants of the villages that are part of Alcedar commune were brought into focus.

Deputy Prime Minister Oleg Serebrian got acquainted with the local issues and held discussions with the administrations of the Cultural House in Alcedar and Curățura villages, representatives of educational institutions in Alcedar village, local councilors and economic agents.

The need to determine forms of assistance and solution to the most pressing problems identified in close cooperation with local and central sectoral public administration authorities was emphasized.
