Consultations on potential humanitarian assistance projects with the Country Director of the United Nations World Food Program (WFP) in the Republic of Moldova

Available assistance funds and potential projects to be implemented throughout the Republic of Moldova, including those covering the eastern districts of the country, were discussed during a working meeting between the Head of the Bureau for Reintegration Policies, Alin Gvidiani, and the Country Director of the UN Food Program (WFP) in the Republic of Moldova, Mrs. Katrien Ghoos.

Projects to provide humanitarian assistance to refugees temporarily located on the territory of the Republic of Moldova were touched upon, and the timely provision of protective measures to vulnerable groups or persons affected in crisis situations was also discussed.

The need to coordinate activities and contacts related to the perimeter of the Transnistrian region of the Republic of Moldova with the Deputy Prime Minister and the Bureau for Reintegration Policies was reiterated.
