The Government has allocated an additional 2 million lei for the implementation of new activities for the reintegration of the country

On September 11, 2024, members of the Cabinet of Ministers approved a project amending Government Decree no. 341/2024, which provides for the allocation of an additional 2 million lei from the budget within the framework of the Program of Activities for the Reintegration of the Country for 2024.

Thus, it will be possible to finance 5 new projects and supplement the allocations for the other 2 projects the implementation of which has already been initiated through this Program, the beneficiaries of which will be the residents of the Security Zone perimeter.

As in the case of the other 26 projects approved by Government Decree no. 341/2024, the beneficiaries are obliged to use the allocated financial resources by the end of 2024 in accordance with the stated purpose, after which they are to submit a report on the implementation results to the State Chancellery (Bureau for Reintegration Policies).
