

# Working visit of the Deputy Prime Minister for Reintegration to the Dubăsari district

On June 12, 2025, Deputy Prime Minister for Reintegration Oleg Serebrian conducted a working visit to the Dubăsari district. During the visit, the Deputy Prime Minister held a series of meetings with citizens and representatives of the local public administration, including the leadership of the Dubăsari district.

Discussions with the citizens and the administration of the commune Corjova focused on a wide range of topics, including the proper functioning of public services, the need to modernize local infrastructure, equitable access to resources and services, and the social and economic difficulties faced by the authorities and residents of this locality.

A central theme of the discussions was the key role of the local public administration in promoting community development projects. The Deputy Prime Minister called for strengthening the partnership between the central and local administrations, emphasizing that only through joint and coordinated efforts can we move forward toward achieving the proposed goals for the benefit of the citizens.

The program included a visit to the Placement Center for the Elderly in Corjova commune. The Deputy Prime Minister visited three educational institutions in the district: the „Mihai Eminescu” Theoretical Lyceum in Corjova commune, the „Vlad Ioviță” Theoretical Lyceum in Cocieri commune, and the „Ștefan cel Mare” Gymnasium in Molovata commune. Oleg Serebrian held discussions with the management of these institutions about projects financed under the ongoing Programme of Activities for the Reintegration of the Country.
