

Moldovan Prime Minister visits Vienna, Austria

Prime Minister Dorin Recean is paying a visit to Vienna, Austria on 13 June, to attend Wachau Europe Forum 2025.

The event brings together European leaders to discuss the future of Europe, with a focus on EU expansion and regional cooperation.

Recean will have a bilateral meeting with Austria's Federal Chancellor Christian Stocker. The officials will discuss attracting more Austrian investments in our country, deepening bilateral cooperation, and Austria's support for the European path of the Republic of Moldova.

Additionally, Recean will participate with his Austrian counterpart and Prime Minister of Bulgaria in a discussion panel dedicated to the future of Europe.
