

Working meeting of the Deputy Prime Minister for Reintegration with representatives of the Promo-LEX Association

On August 15, 2025, the Deputy Prime Minister for Reintegration, Roman Roșca, held a working meeting with Ion Manole, Executive Director, and Vadim Vieru, Program Director of the Promo-LEX Association.

The discussions covered a wide range of issues concerning the promotion of human rights in the Transnistrian region, in particular those related to access for human rights advocates to the Transnistrian region and those focused on individual cases of human rights violations.

The Deputy Prime Minister for Reintegration emphasized the importance of developing dialogue with civil society organizations in the process of monitoring human rights and providing necessary assistance to victims of abuses in the territory not controlled by the constitutional authorities
