

The Deputy Prime Minister for Reintegration, Valeriu Chiveri, had a meeting with the Ambassador of Canada to the Republic of Moldova, Gavin Buchan

On 12 November, 2025, the Deputy Prime Minister for Reintegration, Valeriu Chiveri, held a working meeting with the Ambassador of Canada to the Republic of Moldova, Gavin Buchan.

During the discussion, the dynamics of the Transnistrian settlement were addressed and the opportunities offered by the process of European integration, which through the modernization and increased attractiveness of the Republic of Moldova contributes to advancing the country's reintegration, were noted.

Particular attention was paid to the respect for human rights, including freedom of expression, freedom of movement, access to education, as well as the situation of citizens held in unlawful detention in the Transnistrian region.
