# 34 sustainable development projects were implemented in 2025 through the Program of Activities for the Reintegration of the Country

By Government Decision No. 311/2025 and through the allocations for the country’s reintegration activities, 29.6 million lei were allocated for financing 36 sustainable development projects within the perimeter of the Security Zone.

At the same time, from the budget earmarked for the Program of Activities for the Reintegration of the Country for 2025, as in 2024, 3.34 million lei were allocated to the Dubăsari District Council (of which 2.64 million lei were utilized), as partial compensation for expenses incurred by owners of agricultural land located along the Rîbnița–Tiraspol route, in the context of the illegal fees imposed by Tiraspol when crossing unauthorized control posts.

Following the processing of the reports submitted by the beneficiaries of the allocations, it was found that 26.1 million lei were utilized and 34 projects were implemented during the year, while the unused amount of 3.49 million lei was transferred to the state budget account, in accordance with the provisions of point 29 of Annex No. 1 to Government Decision No. 131/2014.

During the period 2011–2025, through the above-mentioned Program, 617 projects were financed, amounting to over 223 million lei.
