

Prime Minister to pay working visit to Nisporeni district

Prime Minister Alexandru Munteanu is paying a working visit today to Nisporeni district. He will take part in a meeting with representatives of local public authorities and deconcentrated services to discuss the projects implemented in the district and the challenges faced by local representatives.

The agenda also includes visits to several projects carried out with financial support from the Government and discussions with their beneficiaries – the Amphitheater, the House of Culture and the Museum of History and Ethnography in Iurceni, as well as Grigore Brașoveanu sports complex in Nisporeni.

Munteanu will hold discussions with a group of entrepreneurs, residents of Nisporeni Business Incubator. He will also visit several businesses in the region.
