

# World War II veterans to get 30,000 lei aid

19 March 2025, Chişinău - 80 years after the Victory over Nazism, the 25 remaining World War II veterans will receive aid of 30,000 lei, 20,000 more than in previous years. Government approved a [decision](#) to this effect today. Thus, in addition to the 10,000 lei aid provided by law, each veteran will receive an additional one-off aid of 20,000 lei.

“The government has made this important decision as a token of gratitude and deep respect for the people who fought against Nazism and for the Victory of Peace. Keeping peace is certainly the most important thing that veterans and all those who have experienced war wish for,” Prime Minister Dorin Recean said.

The payment will be made automatically by the National Social Insurance House, by 9 May 2025. The funds will be transferred to the beneficiaries’ bank cards or can be collected at post offices in the country.
