The working visit of Deputy Prime Minister Oleg Serebrian to Vadul-Rascov village

Deputy Prime Minister for Reintegration Oleg Serebrian, jointly with representatives of the Reintegration Policies Bureau,undertook on September 15, 2022 a working visit to Vadul-Rascov village, Soldanesti rayon.

The Deputy Prime Minister exchanged views with the representatives of the local public administration, of the Territorial Office of the State Chancellery, teachers, heads of institutions, economic agents, and residents of the village on current topics, among which: development of the local infrastructure, supporting business initiatives in rural areas, modernizing public institutions, providing localities with modern quality tap water supply systems and access to quality public services

Also, the Deputy Prime Minister urged the local public authorities to be more actively involved in the elaboration of impact projects, designed for village infrastructure development and for the benefit of the locals.

The projects financed through the Program of activities for the reintegration of the country and implemented in Vadul-Rascov were assessed, given the fact that the village has received funding of over 1 million MDL for the implementation of projects of community importance (public street lighting, renovation of pavilions and playgrounds at "Dumitru Matcovschi" school, renovation and enhancement of "Dumitru Matcovschi" House-Museum).

During the visit, the Deputy Prime Minister visited "Dumitru Matcovschi" school, "Dumitru Matcovschi" House-Museum, the House of Culture, with on-site documentation about the current needs and issues.

At the same time, the Jewish cemetery in Vadul-Rascov village was visited.

The Deputy Prime Minister assured that the discussed problems will be forwarded to the relevant authorities to be analyzed and solved.
