Proiectul hotărârii Guvernului privind repartizarea și redistribuirea unor alocații aprobate în Legea bugetului de stat pentru anul 2022 nr.205/2021 este elaborat de Ministerul Finanțelor.

2. Condițiile ce au impus elaborarea proiectului și scopul

Proiectul de hotărâre este elaborat în conformitate cu prevederile art.60, alin.(1), lit. a) din Legea finanțelor publice și responsabilității bugetar-fiscale nr.181/2014, care permite redistribuirea, cu acordul Guvernului, a alocațiilor aprobate prin legea anuală a bugetului de stat, între autorități publice centrale (cu excepția celor independente) și între programele unei autorități, până la 10 la sută din volumul alocațiilor bugetare aprobate, precum și în temeiul prevederilor art.10¹, alin. (1) din Legea bugetului de stat pentru anul 2022 nr.205/2021, care autorizează Guvernul să repartizeze pe autorități publice centrale și locale, alocațiile aprobate în bugetul de stat pentru acordarea plății unice cu caracter excepțional în mărime de 3000 lei, pentru susținerea unor angajați al căror loc de muncă de bază este în cadrul autorităților/instituțiilor bugetare, remunerați conform Legii nr.270/2018 privind sistemul unitar de salarizare în sectorul bugetar.

Plata unică cu caracter excepțional va fi acordată angajaților al căror salariu mediu lunar, calculat proporțional timpului efectiv lucrat pentru ultimele 3 luni, conform Hotărârii Guvernului nr.426/2004 privind aprobarea Modului de calculare a salariului mediu, este mai mic de 15000,0 de lei. Această plată unică va fi stabilită și achitată la locul de muncă de bază al angajatului.

Plata unică cu caracter excepțional nu se supune impozitului pe venit, contribuțiilor de asigurări sociale de stat obligatorii și primelor de asigurare obligatorie de asistență medicală.

3. Descrierea gradului de compatibilitate pentru proiectele care au ca scop armonizarea legislației naționale cu legislația Uniunii Europene

Prezentul proiect de hotărâre nu necesită armonizare cu legislația Uniunii Europene.

4. Principalele prevederi ale proiectului

În temeiul prevederilor art.10¹, alin. (1) din Legea bugetului de stat pentru anul 2022 nr.205/2021, pentru achitarea plății unice cu caracter excepțional, întru susținerea unor angajați din sectorul bugetar, în bugetul de stat sunt prevăzute alocații în sumă de 567000,0 mii lei.

Proiectul prevede repartizarea mijloacelor financiare în sumă de 437466,0 mii lei din alocațiile aprobate în bugetul de stat, dintre care 107688,0 mii lei către autorități finanțate de la bugetul de stat, 327114,0 mii lei către autorități publice

locale de ambele niveluri și 2664,0 mii lei către Casa Națională de Asigurări Sociale. Volumul cheltuielilor pentru achitarea acestei plăți a fost estimat în baza informațiilor colectate de la autoritățile respective.

Conform prevederilor art.27, alin.(2) din Legea nr.397/2003 privind finanțele publice locale, transferurile cu destinație specială repartizate pentru achitarea plății unice urmează a fi incluse în bugetul local în baza dispoziției administratorului de buget.

De asemenea, Casa Națională de Asigurări Sociale, în calitate de administrator al bugetului asigurărilor sociale de stat, va majora veniturile și cheltuielile bugetului asigurărilor sociale de stat cu suma transferurilor primite de la bugetul de stat pentru achitarea plății unice.

- la Acțiuni generale în sumă de 1000,0 mii lei, pentru asigurarea implementării prevederilor Hotărârii Guvernului nr.49/2021 pentru aprobarea Regulamentului privind subvenționarea locurilor de muncă.

Între autorități publice centrale se propun 2 redistribuiri de alocații:
